

MISSION AND VISION

MISSION

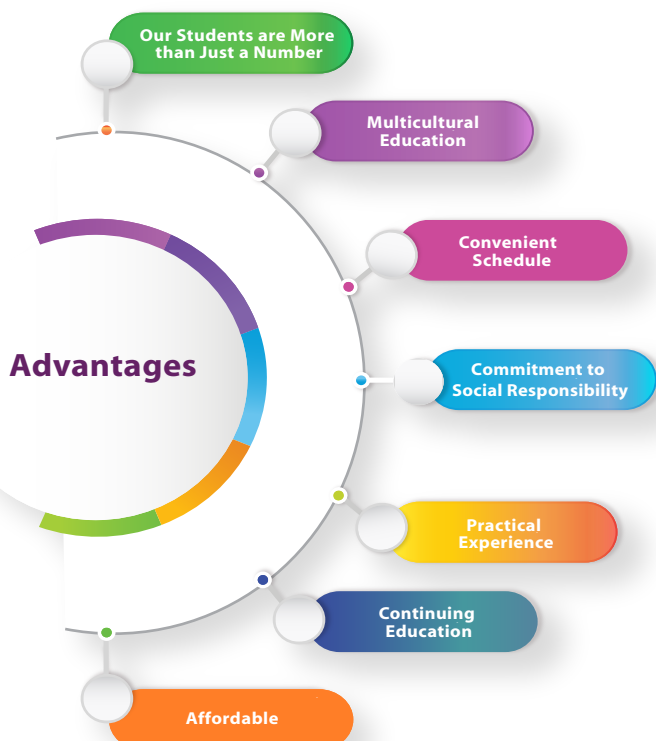

Albizu University educates professionals in behavioral sciences, speech pathology and other disciplines, committed to research, to improve quality of life, and to serve diverse communities.

VISION

To be an international leader in academic innovation, research, and community service, promoting diversity to generate a transformative social impact.

VALUE PROPOSITION AND ADVANTAGES

For career-focused individuals from multi-cultural, diverse backgrounds who want to serve their community, Albizu University offers a student-first experience with a flexible and personalized learning environment in small classes to maximize one-on-one learning experiences. Albizu is dedicated to the success of every student, addressing their professional ambitions with top-notch education and support. We offer affordable seamless academic progression so students can pursue a bachelor's degree, earn their masters and embark on a doctorate.

1 Our Students are More than Just a Number
Our teachers know their students by name, understand their needs, motivate them to solve problems and achieve their goals.

2 Multicultural Education
With campuses in Miami and Puerto Rico, Albizu helps students develop multicultural competencies that enable them to become professionals working in diverse cultural environments.

3 Convenient Schedule
We offer a flexible program for our students that accommodates their schedule with classes during the day, nights, weekends, online or hybrid.
** schedules vary according to each campus and program*

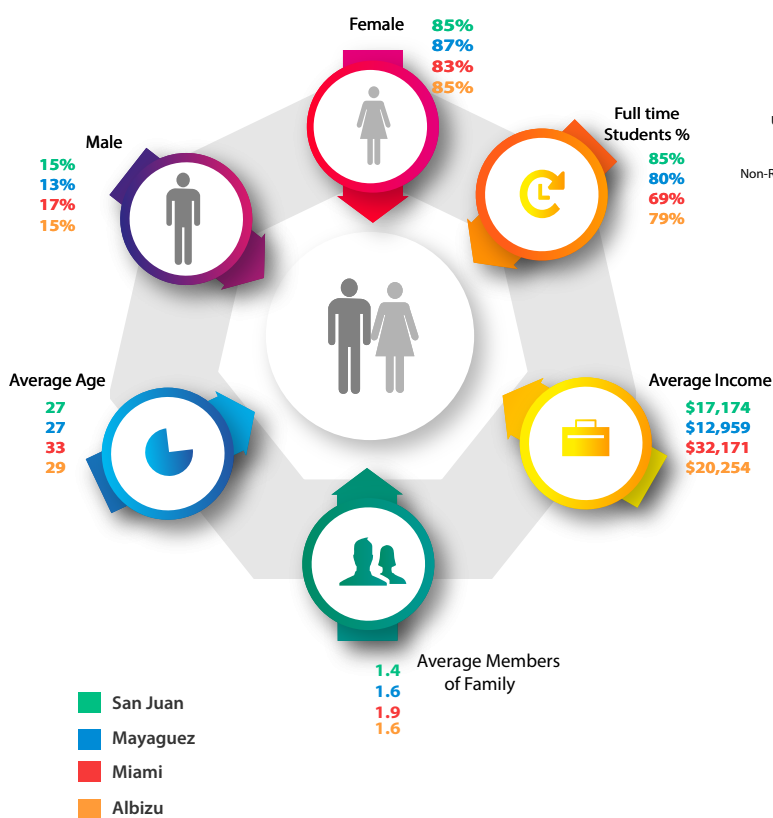

4 Commitment to Social Responsibility
Our students acquire skills and develop expertise that helps them become leaders who serve and empower marginalized and disadvantaged populations.

5 Practical Experience
Through our clinical training, students practice new skills, while providing mental health or speech and language pathology services.

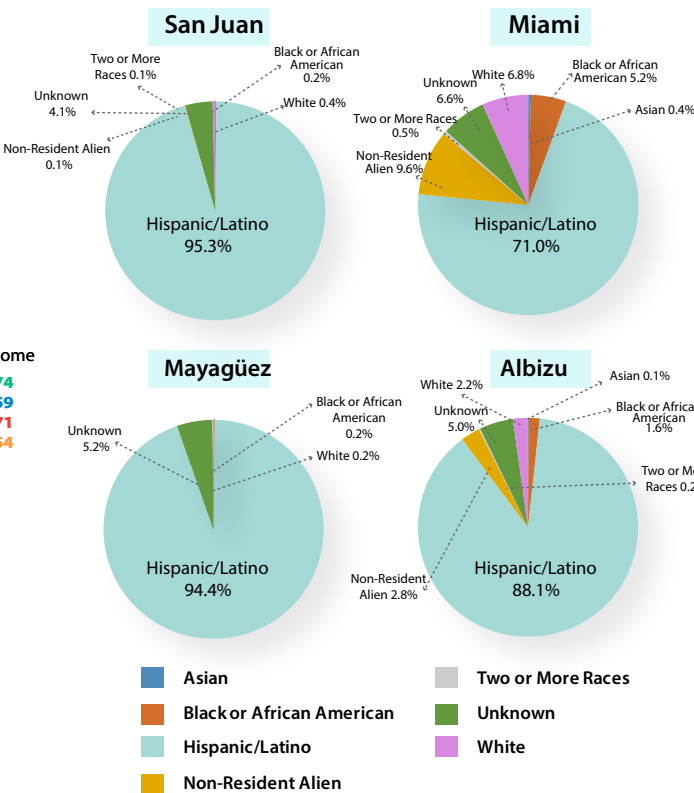

6 Continuing Education
We offer training programs for graduates through our continuing education program.

7 Affordable
We're one of the most affordable private nonprofit universities.
